Sarah's Dance Academy

2017 Fall - 2018 Spring Class Offerings

Competitive Troupe Team is a dance team that was developed for dancers who desire to perform more often and take their dance to the next level. Please contact the Studio for more information on our new Performance Troupe Team. Our Travel Competition Troupe Team for 2017-2018 has been determined. If you are interested in joining one of our Competition Troupe Teams the following classes are highly recommend: Ballet I, II, III and/or Technique Leaps, Turns, and Flex, and an extra class in Gymnastics/ACRO for Dance.

Combination Class meets for 60 minutes per week for 30 weeks. This class is for ages 3 to 18. Combination Classes for students ages 3 to 6 will consist of 30 minutes of Tap and Pre-Ballet or Pom-Pon/Jazz and Hip Hop; for ages 7 and above, 30 minutes of Pom-Pon, or Jazz and 30 minutes of Hip-Hop or Lyrical. This is a Recital Class.

Fairy Tale Dance Class is a Trimester class and will be offered in 10-week segments and meets for 40 minutes each week. This is a pre-ballet class for students that are preschool age (3 to 5 years old). During the initial week a fairy tale story is read to them, and then students learn Pre-Ballet dance movements with music pertaining to the story. The following week the students put on costumes over their leotard/tights and then perform their routine. This class is an excellent dance class for beginning little dancers. It is a fun and rewarding experience for the children to dress up and perform! The Fairy Tale costumes are provided for each student at each performance.

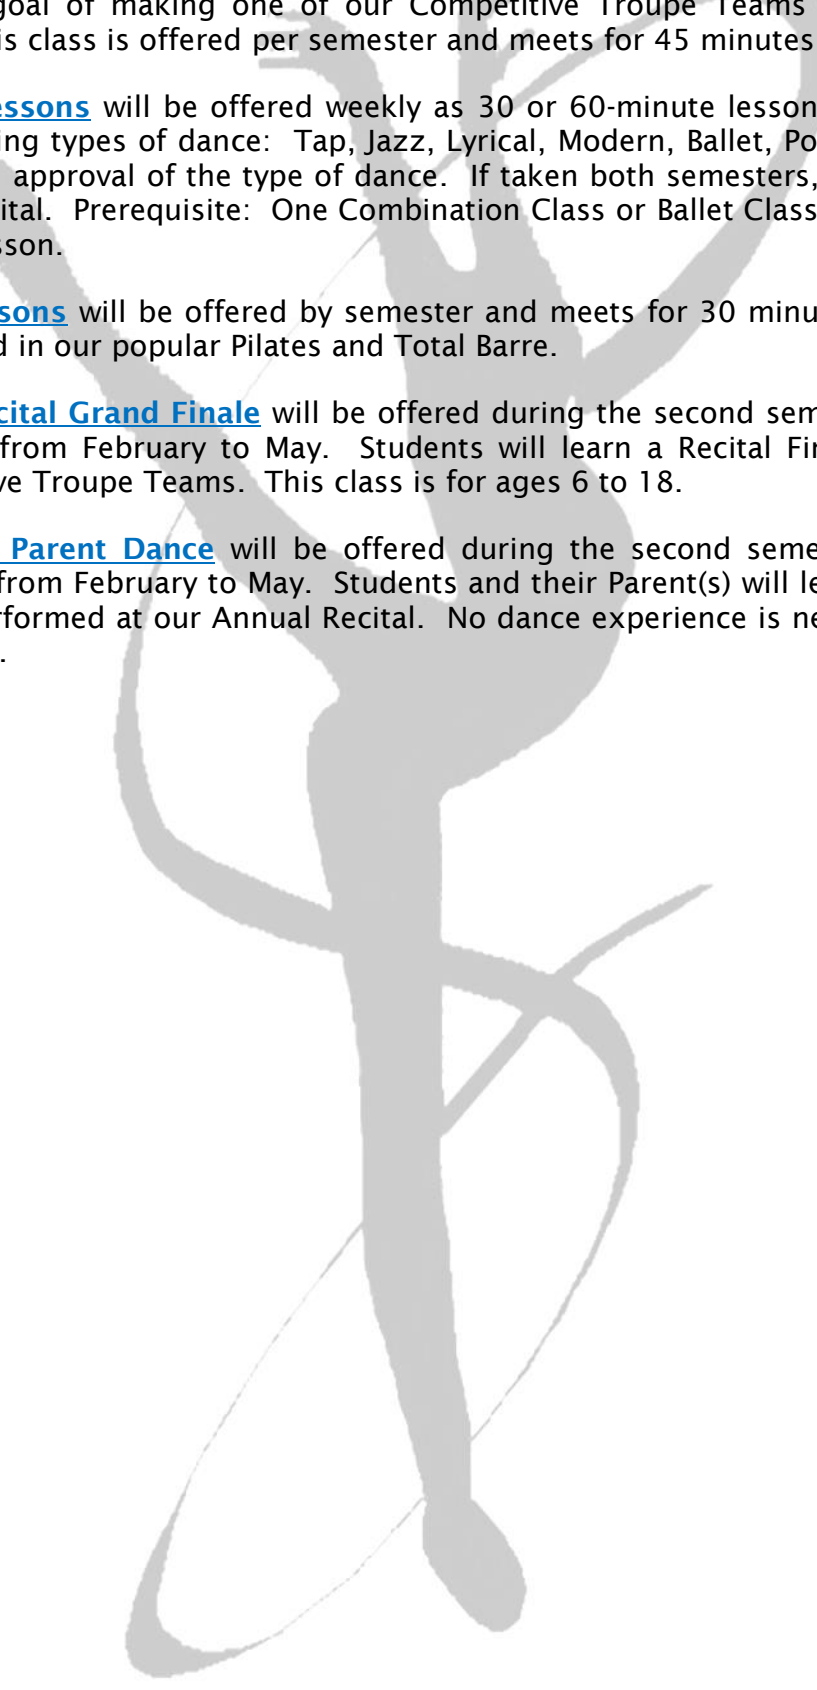

Two-Year-Old Movement Class is a Trimester class and will be offered in 10-week segments and meets for 30 minutes each week. A parent attends this class with their child. This fast-paced, fun-filled class introduces your child to easy dance movements and gives students the opportunity to be a part of a dance class with the help of Mom or Dad.

Ballet I, II, III, IV, and V. Classical Ballet is fundamental for all dance classes. Ballet provides the basis for all forms of dance and should be taken first, or concurrently, with Tap or Jazz classes. Ballet teaches proper technique, posture and terminology. Students are grouped together by skill level and experience. Classes labeled Ballet incorporate technical skills and performance skills.

Boys Hip-Hop Dance is a structured form of street dance designed to teach coordination, strength, quickness, agility, and endurance. Some tricks may be added. This class is for ages 5 to 18. This is a Recital Class.

Pre-Pointe and Pointe. This class is only open to dancers who have instructor approval. Pre-Pointe and Pointe are similar to a regular ballet class in terms of focus and discipline. The difference, however, is that students wear pointe shoes (ballet shoes with a hard, full-soled shank and a boxed toe) so that the ballerina may go fully onto pointe while in releve. This class is for the more advanced ballet dancer and requires an additional ballet class and ballet technique class. As our young dancers grow, we emphasize the importance of making decisions that will ensure our dancer's future health. Not everyone is made for pointe class, so ankle and foot bone structure, stage of growth, and strength must all be considered. This is a Recital Class.

Gymnastics ACRO for Dance meets for 45 minutes each week. This class is for ages 3 and up. This class develops courage, strength, stamina, coordination, flexibility, and jumping abilities. Gymnastics ACRO for Dance unites power and poise with grace and beauty, to create an intriguing Dance. This is a Recital Class.

Technique Leaps, Turns, and Flex is geared to build the dancer's flexibility and skills, such as turns, leaps, and jumps, while perfecting skills and building their core, arms, shoulders, and legs. This is a must class for dancers that want to advance to the next level in dance, or for those dancers with the goal of making one of our Competitive Troupe Teams and/or their high school Dance Team. This class is offered per semester and meets for 45 minutes each week.

Private Lessons will be offered weekly as 30 or 60-minute lessons. You may choose from one of the following types of dance: Tap, Jazz, Lyrical, Modern, Ballet, Pointe, or Hip-Hop. Mrs. Sarah will make final approval of the type of dance. If taken both semesters, the dancer will be in the Annual Dance Recital. Prerequisite: One Combination Class or Ballet Class must be taken in addition to the Private Lesson.

Adult Lessons will be offered by semester and meets for 30 minutes per week, per class. Classes are offered in our popular Pilates and Total Barre.

Dance Recital Grand Finale will be offered during the second semester, and meets for 30 minutes bi-weekly from February to May. Students will learn a Recital Finale production routine with the Competitive Troupe Teams. This class is for ages 6 to 18.

Dancer & Parent Dance will be offered during the second semester, and meets for 30 minutes bi-weekly from February to May. Students and their Parent(s) will learn a short and *FUN* routine that will be performed at our Annual Recital. No dance experience is necessary. This class is for ages 5 and above.
